

**THE NEW AUTOLITE  
PROFESSIONAL SERIES WIRE  
SETS WITH OVER 600 MODELS.  
TOTAL VEHICLE COVERAGE...  
TOTAL CUSTOMER SATISFACTION.**

**RETAINER CLIPS**  
*ensure constant connection  
between wire set and  
the distributor/coil.*

**LOOMS**  
*designed to protect  
the wire from abrasion.*

The Autolite® Professional Series ignition wire sets meet or exceed OES requirements for just about every car. This not only means a perfect-fitting wire, but also easy installation. And, depending upon OES requirements, they come with accessories like heat shields, extension tubes, and high temperature pre-greased boots. Basically, they're the ultimate wire set.
