

## Nothing burns hotter.

Turn up the heat with the all-new Autolite XP Xtreme Performance™ spark plug. By increasing the size of the flame kernel by 21% versus a standard plug,\* Autolite XP will deliver better overall ignitability performance. With an iridium-enhanced, .6 mm finewire tip, it's one of our most technologically advanced spark plugs ever.

\*Testing performed by independent lab. A Honeywell car care product.
